### UNITED STATES FISH AND WILDLIFE SERVICE

#### Environmental Action Memorandum

Within the spirit and intent of the Council on Environmental Quality's regulations for implementing the National Environmental Policy Act (NEPA) and other statutes, orders, and policies that protect fish and wildlife resources, we have established the following administrative record and determined that the proposed action for the Swanson River Natural Gas Storage Project within Kenai National Wildlife Refuge, with the alternative selected and mitigation measures employed, is found not to have significant environmental effects as determined by the attached environmental assessment and finding of no significant impact.
